

ALL THINGS PROJECT MANAGEMENT

Our Company

L'Renee & Associates is a full-service project management and consultancy firm dedicated to improving our clients' performance and profitability. We support high-performing organizations by consulting, training and recruiting the best project managers.

We have a proven track record of meeting our clients' needs and over 15 years of experience. We use proprietary formulas to identify a company's growth opportunities, develop and define a strategic value proposition, pivot critical challenges into advantages, and produce solutions that work, all across a wide range of industries.
